Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Focus on developing a whole school Literacy and Numeracy Block with increased human and class resourcing; using programs such as Spelling Mastery
- Plan and execute Differential Teaching Strategies such as Kagan, Blooms Taxonomy and Marzano to improve students in upper two bands scales and students with Individual Learning Plans
- Use data from PAT-R, PAT-M, TORCH, NAPLAN, A to E and PM Benchmarking to narrow and sharpen the focus on improvement.
