

Investing for Success

**Under this agreement for 2022
Monkland State School will receive:**

\$64,334*

This funding will be used to

- Increase the number of children meeting and/or surpassing achievement standards in English, Math & Science.
- Improve the number of Year 3 students achieving a C or better in English to 90%.
- Improve attendance and positive engagement at school.

Our initiatives include

- Providing professional development for teachers and school leaders to increase capability to initiate and implement innovative practices for inclusive education.
- Providing focused and intensive teaching and learning support through a case management process in order for student achievement of year-level achievement standards.
- Enriching and enhancing student engagement through cultural renewal and transformation.

Our school will improve student outcomes by

Providing resourcing to enable teachers/leaders to engage in collaborative data inquiry, action learning, classroom visits and professional conversations.	\$12,000
Building workforce capacity to enrich students' higher order thinking and authentic learning through considered class structures and integrated experiential learning strategies.	\$22,000
Engaging in moderation processes with Gympie Alliance and Cluster Schools for improved teacher judgement.	\$6,000
Engage additional learning support personnel to support literacy & numeracy development and teaching capacity in the Early Years.	\$24,334
